ORDER EXTENDING
DEADLINE

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

On June 3, 2002, Time Warner Cable Information Service (Maine), LLC (Time Warner) filed a request for an extension of the deadline set in Docket No. 2000-285 for Time Warner's pilot telephone service project to terminate. Previously, on May 3, 2002, Time Warner filed its application to become certified as a competitive local exchange carrier (CLEC) and as an interexchange carrier. Due to Staff caseload issues, Staff was unable to immediately process the application. Last week Staff communicated to Time Warner and the other interested parties (Office of the Public Advocate (OPA) and the Telephone Association of Maine (TAM)) that processing of the application may not be complete before the June 30th deadline. It was agreed by all that a 30-day extension of the deadline would provide sufficient time for processing. Thus, Time Warner filed the instant request for extension.

We find that the extension is in all parties' interest because it gives our staff and interested parties sufficient time to thoroughly review the application. Accordingly, we grant Time Warner's request.

Dated at Augusta, Maine, this 11th day of June, 2002.
